## **Determining Your Pledge**

How much you give to the church is a personal decision between you, your family, and God. Some people have found the chart on the left to be helpful in determining how much they are feeling called to give. Take some time to pray and ask God how you are being called to support the work that Memorial United Methodist Church is doing.

The goal is to tithe, but for those unable to do so, we encourage you to begin where you are able.
