* All Events that have an asterisk by them require a separate permission slip signed by a parent or guardian. This includes a church permission slip along with individual location permission slips.

Swimsuits for the summer – This summer you will have lots of times with our group to wear a swimsuit. We ask that you keep two things in mind as you dress for these occasions. 1. Ages in our group vary greatly 2. You represent our church when we are together. Based on these two items we are asking for Girls to wear modest two pieces, tankinis or one pieces. Boys no speedos. We will have a few swim shirts present if we feel your suit is too revealing. Thanks for your help in thinking about this before you dress for one of our fun water related events.
